Investment Opportunities

This account functions as a basic account, which can be utilized as :

1. an initial retainer for future services and products, required by enterprise or individuals;
2. a general account fund for; promoters, members, business agents & associates, expanding the business capacity, generates compensation, creates marketing & presentation materials, newsletter, and new development, with a simple 10% compensation without investment in specific securities, as an easy way to get involved, especially for the Defend Canada program. This can be directed to general or specific endeavours. If you do nothing, a contribution still generates compensation and revenues from business, which can also be redeemed in more marketing or business materials, special gifts and options, artwork, surveys and other ways to participate and make a difference.

I accept and understand that the Private Membership Options, Personnel and Enterprise Options and the Private Investment and Venture Capital Options offer existing and future opportunities concerning communications, business and transactions with Intergalactic Securities & Management Corporation, subject to mutual agreement, as a limited time offer and that participation, contribution, investment and/or acquisition is not required but is optional;
